Philosophy & Methodology

Sensorial Development Introduction	3
The Development of the Sensorial Materials	4
Sensitive Periods and the Senses	6
The Importance of the Senses	9
Characteristics of Sensorial Materials	10
Types of Sensorial Activities	16
Presenting the Sensorial Activities	18
Benefits of the Sensorial Materials	22
Sensorial Education Summary	26

Montessori Activities

About the Three-Period Lesson	29
Building Vocabulary with the Three-Period Lesson	35
About Nomenclature Cards	38
Matching Nomenclature Cards	41

Visual Activities

About Cylinder Blocks	45
Working with the Cylinder Blocks	47
About Pink Tower	51
Building the Pink Tower	53
About Brown Stair	56
Working with the Brown Stair	58
About Red Rods	62
Working with the Red Rods	63
About Knobless Cylinders	67
Working with the Knobless Cylinders	69

About Color Tablets	73
Working with the Color Tablets	75
About Geometric Cabinet — Demonstration Tray	79
Working with the Demonstration Tray	81
About Geometric Cabinet	84
Working with the Geometric Cabinet	88
About Geometric Form Cards	91
Working with the Geometric Form Cards	93
About Botany Cabinet	97
Working with the Botany Cabinet	99
About Rectangular Box A	103
Working with Rectangular Box A	105
About Rectangular Box B	108
Working with Rectangular Box B	109
About Triangular Box	112
Working with the Triangular Box	114
About Large Hexagonal Box	117
Working with the Large Hexagonal Box	119
About Small Hexagonal Box	123
Working with the Small Hexagonal Box	125
About Binomial Cube	130
Working with the Binomial Cube	132
About Trinomial Cube	136
Working with the Trinomial Cube	138

Tactile Activities

About Touch Boards	144
Working with the Touch Boards	146
About Touch Tablets	150
Working with the Touch Tablets	151
About Touch Fabrics	154
Working with the Touch Fabrics	156

About Thermic Tablets	159
Working with the Thermic Tablets	161
About Baric Tablets	164
Working with the Baric Tablets	166
About Mystery Bag	169
Working with the Mystery Bag	171
About Geometric Solids	173
Working with the Geometric Solids	175

Auditory Activities

About Sound Cylinders	181
Working with the Sound Cylinders	183
About Silence Game	186
Playing the Silence Game	187
About Montessori Bells	189
Playing the Montessori Bells	192

Olfactory Activities

About Smelling Bottles	198
Working with the Smelling Bottles	199

Resources

Sensorial Materials	205
Vocabulary and Definitions	210
