

2nd Year Topics	Page Reference	Presentation	Support Material	Presented (date)	Practicing (date)	Mastered (date)	Observations
<b>MULTIPLICATION AND DIVISION: MOVING TOWARD ABSTRACTION</b>							
	M1-98	Finding Multiples using <b>Colored Bead Bars</b>					
	M1-100	Learning About Multiples Using the Algebraic Pegboard					
	M1-102	Finding the Lowest Common Multiple					
	M1-104	Graphing Multiples on the <b>Chart of Multiples</b>	•				
	M1-106	Learning About Multiples Using the <b>Multiples Tables</b>	•				
	M1-124	Learning About Geometrical Multiplication					
	M1-126	Doing Short Division with the <b>Golden Beads</b>					

<b>HIERARCHIES OF NUMBERS</b>							
	M1-140	Learning About Geometric Representation to 1,000,000					
	M1-142	Learning About Numerals to 1,000,000					
	M1-150	Adding with the <b>Small Bead Frame</b>					
	M1-152	Adding with Exchanging, Using the <b>Small Bead Frame</b>					

## Sample NAMC Mastery Checklist – Usage Key

Program year	2nd Year Topics	NAMC manual and page Page Reference	NAMC activity title Presentation	Support Material	Presented (date)	Practicing (date)	Mastered (date)	Teacher's notes Observations
<b>MULTIPLICATION AND DIVISION: MOVING TOWARD ABSTRACTION</b>

		Doing Short Division with the <b>Golden Beads</b>						

Program year

NAMC manual and page

NAMC activity title

Teacher's notes

**MULTIPLICATION AND DIVISION: MOVING TOWARD ABSTRACTION**

NAMC manual section heading

Manual and page number. For example, M1-100 appears in Math 1, page 100.

Unshaded activities are introduced in current program year

Bullet shows that support material available on NAMC blackline masters CD.

Bold font indicates Montessori material. For example, Golden Beads are used in this activity.

Shaded activities are introduced in the previous program year and reviewed in current year.
