

Contents

Philosophy & Methodology

Culture and Science Introduction	3
Cosmic Education in Early Childhood	8

Montessori Activities

About Circle Time	19
Learning the Calendar	22
Learning About Weather	25
Building Vocabulary with the Three-Period Lesson	28
Matching Nomenclature Cards	30
About the Nature Table	32
Exploring the Nature Table	35

Geography

Geography Introduction	39
About the Sandpaper Globe	43
Exploring the Sandpaper Globe	45
About Land and Water Forms	48
Exploring Land and Water Forms	50
About the Colored Globe	54
Exploring the Colored Globe	56
About Puzzle Maps	59
Exploring the Puzzle Map of the World	62
Exploring the Puzzle Maps of the Continents	65
Exploring Life on the Continents	69
About the Flag Stand	72
Exploring Flags of the World	74
Mapping the Hand	77

Introducing Directions80
Understanding the Movement of the Sun83

History

History Introduction88
Celebrating a Birthday90
About Timelines93
Creating My Family Tree95
Understanding the Timeline of My Day98
Understanding the Timeline of My Life101
Exploring the Seasons103
Learning About Famous People106

Zoology

Zoology Introduction111
Understanding Living and Non-Living Things114
Understanding Plants and Animals117
Introducing Vertebrates and Invertebrates119
Caring for Animals in the Classroom123
Introducing Five Classes of Animals128
Identifying Animals Around the World130
Learning the External Parts of the Fish132
Learning the External Parts of the Frog135
Learning the External Parts of the Turtle139
Learning the External Parts of the Bird142
Learning the External Parts of the Horse145

Botany

Botany Introduction	150
Introducing the Plant	154
Introducing Parts of the Plant	158
Exploring Parts of the Root	161
Exploring Parts of the Stem	165
Exploring Parts of the Leaf	168
Exploring Parts of the Flower	172
Exploring Parts of the Fruit	175
Exploring Parts of the Seed	179

Science

Science Introduction	185
Exploring Magnetism	188
Exploring Buoyancy	192
Exploring Density	196
Exploring Volume	199
Exploring Solutions	202
Exploring Evaporation	205
Exploring a Special Mixture	208
Exploring Chemical Reactions I	211
Exploring Chemical Reactions II	214
Exploring Light and Color	217

Resources

Culture and Science Materials	222
Vocabulary and Definitions	223
References	232
