Language Activity 4: Identifying Pictures of Familiar Objects in a Book

1. Print 5–6 of the following images on white cardstock.
2. Laminate them and punch holes in the top and bottom left corners of each image.
3. Join the pages with round metal rings to form a booklet.
4. To reinforce left-right orientation, place each picture on the right-hand page, leaving the left-hand side blank.
5. Change the images occasionally to add interest.
