

TABLE OF CONTENTS

HOW THIS MANUAL CAN BE USED	1
INTRODUCTION	4
INSIDE THE HUMAN BODY	7
Introduction	7
Review: Nervous, Skeletal, Respiratory, Cardiovascular, and Digestive Systems	8
Background Information	8
Activity 1: Reviewing Systems of the Human Body	24
Review: The Senses of Taste and Smell	26
Background Information	26
Activity 1: Reviewing the Senses of Taste and Smell	30
The Urinary System	32
Background Information	32
Activity 1: Exploring the Urinary System	36
The Immune System	38
Background Information	38
Activity 1: Exploring the Immune System	47
The Endocrine System	49
Background Information	49
Activity 1: Exploring the Endocrine System	55
The Senses of Touch, Sight, and Hearing	57
Background Information	57
Activity 1: Exploring the Sense of Touch	69
Activity 2: Exploring the Sense of Sight	72
Activity 3: Exploring the Sense of Hearing	74
Overview of Eight Systems in the Human Body	77
Background Information	77
Activity 1: Making Booklets of the Eight Systems	78
SAFE FOOD HANDLING AND NUTRITION	80
Introduction	80

Safe Food Handling	.81
Background Information	.81
Activity 1: Discovering the Microorganisms on Everyday Objects	.88
Activity 2: Investigating Whether Hand Washing Reduces Microorganisms	.90
Activity 3: Brainstorming Safe Food Handling Tips	.92
Nutrition	.94
Background Information	.94
Activity 1: Reviewing the Fundamentals of Nutrition	.112
Activity 2: Exploring How the Body Uses Calories	.114
Activity 3: Exploring Nutrition Facts and Ingredient List on Food Labels	.117
Activity 4: Discovering the Different Kinds of Fats in Food	.120
Activity 5: Discovering the Health Effects of Sodium	.123
Activity 6: Building Awareness of Food Advertising	.126
Activity 7: Considering the Connections Between Nutrition and Poverty	.128
WELLNESS	.130
Introduction	.130
Background Information	.130
Activity 1: Exploring Personal Hygiene	.140
Activity 2: Exploring Ways to Prevent Sickness	.144
Activity 3: Building Media Awareness	.146
Activity 4: Becoming More Aware of Internet Use	.148
HEALTHY RELATIONSHIPS WITH SELF AND OTHERS	.150
Introduction	.150
Background Information	.151
Activity 1: Exploring the Stages of a Human Life Cycle	.161
Activity 2: Exploring Ways to Build Inner Resources	.163
Activity 3: Balancing Individual and Community Needs	.166
Activity 4: Practicing Tools for Building Relationships	.168

PHYSICAL EDUCATION	171
Introduction	171
